-
1. The **CER - France** reaffirms that the distribution of mandates in the framework of the elections in France will be carried out under a system of full proportional representation.
 2. The membership form has been modified to include a paragraph on "personal data protection." Attached is the legal opinion of the FOSF legal counsel, Maître Alice KAROUBI, regarding the membership form, which has been validated by the central electoral commission in Israel. It is proposed to accept only the paper version of the membership form during the submission process, along with the member's identity document and membership fee. Upon submission of the forms, proof of payment for memberships by each faction will be required.
 3. The membership campaign will take place from **April 1 to June 5, 2025**. Membership forms will be submitted on **Thursday, June 5, 2025**, at the **KKL France** from **4:00 PM to 8:00 PM**, in the presence of a judicial officer. A communication campaign will also be organized to inform the French Jewish community about the ongoing electoral process.

4. An external service provider will verify the compliance of membership forms under the supervision of a judicial officer and in the presence of faction representatives, should they wish to attend.
5. Each faction will receive the validated electoral list.
6. The official election campaign will take place from **June 8 to June 21, 2025, at 11:59 PM**. It will be accompanied by a communication campaign targeting the French Jewish community.
7. The deadline for submitting candidate lists is set for **June 1, 2025**.
8. The elections will take place from **June 22 to June 29, 2025**.

During the next **CER-France** meeting, the date of which has not yet been set, the voting procedures will be determined.

All decisions made during the **CER-France** session on April 1, 2025, were adopted unanimously.

Dr. Robert ZBILI
President of the Regional Electoral Commission - France
