

Dear Yaniv

At our AEC meeting on 6 February we made decisions on the **date** of the election and on the deadline and conditions of applications to participate in the election from any organisation OUTSIDE of the ZF and the AEC.

Election date is set to 25 May at the largest Zionist event of the year, organised by the Sochnut (Jewish Agency) and WZO, Yom Haatzmaut, Israel Day, in Budapest, in the ZF tent. Fall back date in case of cancellation of the event or lack of attendance, storm, heavy rain, is 12 June at the Hebrew and Israeli Cultural Center, in the WZO Herzl room.

This and the conditions of outside applications have immediately been published on the ZF website and Fb page
