

CENTRAL ELECTIONS COMMITTEE

**DECISION IN THE MATTER OF THE METHOD OF ELECTION
IN THE CANADIAN ZIONIST FEDERATION**

After receiving the petition from the Area Election Committee of Canada to approve the indirect method of election adopted by the Committee, and after studying the Appeal submitted against this method by the Over the Rainbow list, and hearing the verbal arguments; and after examining in depth the Federation's response to said Appeal, we hereby determine as follows:

Under the specific circumstances, we deem that the proposed electoral method be approved; albeit, in light of the supposed contradiction existing between two instructions in the Regulations provided as an example for the conduct of indirect elections to the Zionist Congress. The method proposed complies with the provisions of the Constitution of the World Zionist Congress and is consistent with accepted democratic principles; we therefore approve the petition from the Area Election Committee of Canada for approval of the method of election and reject the Appeal submitted therein.
